

## GROUP TRAVEL MADE MAGICAL

Social clubs, family reunions, affinity groups, multi-generational travel...your clients are looking for ways to spend time together like never before. And there's no better place for everyone of every age to find something just for them than on a Disney cruise. Our 2011 group policy now offers you more flexibility so you can market and sell more itineraries than ever before...including popular summer and holiday sailings. Plus, *Disney Cruise Line*® offers you the flexibility to earn 4% extra commission that you can keep or use as group bonus dollars. Use the group bonus dollars to provide clients with a variety of amenities to enhance their experience and make the vacation more memorable.

### GROUP BONUS DOLLARS

Below are some suggested ideas to use the group bonus dollars to create a unique experience that your clients will value:

- Arrange a private group gathering and supplement it with refreshments and invite a Disney Character to stop by for a memorable photo opportunity.
- Organize an exciting port adventure for your group and provide everyone with a disposable camera to capture memories of their time together.
- Treat your clients to a medley of fresh fruit and cheese or chilled champagne, chocolate covered strawberries and petit fours when they arrive onboard.
- Introduce your group to pin trading...a Disney fan favorite! Provide them with their own lanyard and starter set.
- Pamper your clients with a one-day pass to the relaxing Tropical Rain Forest at the *Vista Spa & Salon*.
- Say goodnight with a 3-tiered tower of chocolate with an assortment of white, milk and dark chocolate Mickey-Mouse shaped candies.
- Send them their important travel documents in a keepsake *Disney Cruise Line*® leather wallet and passport holder.
